NOTE

Dated 20th July *192* 6

Please see the attached communication from the Swamigalu of one of the Udupi Mutts. In it I am asked to meet him when he comes to the Bangalore City on the 29th instant. It is also stated there that this proposal is according to tradition. I am not sure if the Member in charge of Muzrai should meet the Swamigalu when he enters the town. I do not think there is any need for such an arrangement except in very special cases. Please let me know if there is any established tradition recognised by Government on this point.

2. Is this Mutt entitled to the privilege of first day's biksha and if it is, should any action be taken by Government to arrange for it?
